# EXPLORE HAWAI`I THE NORWEGIAN WAY.

No one lets you capture the pure spirit and soul of Hawai`i like Norwegian Cruise Line. Only Norwegian visits four islands in seven days with two overnight stays, which means you're on an island each and every day. And since we're the only cruise line that sails round-trip from Honolulu year-round, you can vacation on your schedule. As you journey from one exotic island to the next, learn about the Hawaiian culture through the eyes of native ambassadors on board our ship. With overnights in both Maui and Kaua`i, you'll have plenty of time to hike up a waterfall, gaze at an active volcano and brush up on your hula at an authentic lū`au. Who wouldn't want to spend seven days in paradise? Leaving, on the other hand, takes a lot of convincing.

## DID YOU KNOW?

THE "HANG LOOSE" OR SHAKA HAND GESTURE THAT WAS POPULARIZED IN THE 1960S BY HAWAIIAN SURFERS WAS ORIGINATED BY NATIVE HAMANA KALILILI, WHO LOST THREE FINGERS IN A SUGAR MILL ACCIDENT AND WAS ONLY ABLE TO WAVE WITH HIS THUMB AND PINKIE.

## DAY 1: HONOLULU

# SAY ALOHA TO PARADISE.

Home to most of Hawai'i's diverse population, O`ahu is sometimes called "The Gathering Place." And, appropriately enough, where your seven days of paradise begin. From the moment you arrive, natives, who are just as warm as the golden sun, will welcome you. Settle in to your spacious room on board *Pride of America*, or venture out before your evening sailing and explore this island's deep-rooted culture. Perhaps the most recognized landmark is the statue of King Kamehameha I, Hawai'i's first king, who unified the Hawaiian Islands in 1810. Take a nostalgic journey of Pearl Harbor or try a surfing lesson and ride the calm warm waves of Waikīkī Beach. Look at that—it's time to get back on board. It's time to island hop.

### 2005-2011 BEST HAWAII ITINERARY

*Porthole Cruise Magazine*

"Incredible, beyond our expectations, romantic, extraordinary!!! Best choice we have made for a cruise. Sailing from Honolulu was fantastic. Get there a day before and stay overnight. Stay a day or so after your cruise. You won't be sorry."

*Createm on

"My husband and I just returned from cruising on *Pride of America*-7 days around the islands of Hawai'i. It was an awesome experience. Our first ever cruise and certainly not our last. Freestyle Cruising with Norwegian is the best."

## DID YOU KNOW?

ALTHOUGH IT'S ONLY 52 MILES FROM KAHULUI TO HANA, DRIVING THE FAMED HANA HIGHWAY WILL TAKE YOU AROUND 620 CURVES, OVER 59 BRIDGES AND USUALLY TAKES TWO TO FOUR HOURS. TALK ABOUT A ROAD TRIP!

## DAYS 2-3: MAUI

# TWO DAYS TO MARVEL.

Seeing is believing. And what you'll see will be quite remarkable. Grab a snorkel and explore crescent-shaped Molokini islet, one of the best snorkeling sites in the world and home to over 250 species of tropical fish. Along the way to the quaint town of Hāna, sit back and enjoy the "scenic route" of lava cliffs, flowing waterfalls and glistening pools as your native driver takes you through the winding roads of famed Hāna Highway. An early-morning hike 10,000 feet above sea level to the summit of dormant Haleakalā offers magnificent sunrises. During the winter months, just off the coast of Lahaina is where you might see humpback whales playfully breaching the warm waters of the Pacific after migrating 3,000 miles from their feeding grounds in Alaska. Too much to experience in one day? Good thing you're here for two.

"The excursions were out of this world. We did the Road to Hāna in Maui (not to be missed!); the volcano on the Big Island, which was breathtaking; and the Waimea Canyon and ziplining in Kaua'i. This trip was the trip of a lifetime, and I recommend it to everyone of any age."

DAY 4: HILO  
DAY 5: KONA

# WHERE HISTORY ERUPTS.

As the largest island in the archipelago, Hawai'i Island is called the "Big Island" for good reason. On the northeast coast, the lush rainforests and magnificent waterfalls of Hilo will take your breath away. More impressive and rising over 4,000 feet, Kilauea is one of the most active volcanoes on earth. Take a helicopter tour and watch as the blistering lava flows into the sea. Hike through an extinct lava tube or walk barefoot along the black-sand beaches of Kaimo. The western sun-drenched coast of Kona is where you'll discover beautiful Kealahou Bay. Its rugged lava-lined shoreline first welcomed Captain James Cook in 1778, the first westerner to visit the island. Puuhonua o Honaunau is where the spirits awaken on your way to the sacred temple of Hale o Keawe Heiau. Whatever you do, the memories you take away will be as grand as the island itself.

## DAYS 6-7: KAUA`I

# TWO DAYS TO MINGLE.

As we approach Kaua`i, we're fairly certain that as you admire the stunning 17-mile stretch of soaring sea cliffs that define the Nāpali Coast you'll realize you're about to experience another unforgettable piece of paradise. So spend your last two days in Kaua`i, an overnight only we offer, soaking up more than just the sun. Pick up some souvenirs while strolling the local shops of Hanapepe. With its deep ravines and streams fed by fresh mountain rains, Puakea Golf Course is a spectacular challenge and where much of *Jurassic Park* was filmed. In the historic sugar plantation of Kilohana, brush up on your hula while enjoying the spectacle and local fare of an authentic lū`au. More than a vacation, consider each day in Hawai`i a new chapter to a wonderful story you're going to want to share.
