Cunard CompleteAir Programme

Make it a truly relaxing vacation by letting Cunard handle all the details of your voyage. Our **Cunard® CompleteAir** programme is designed to seamlessly coordinate your air travel with your voyage itinerary.

Within approximately 320 days of your voyage return date, contact your Travel Agent or call (800) 728-6273 to take advantage of the **Cunard CompleteAir** programme, which allows you the option to book up-to-the-minute flight schedules, with competitive, real-time Cunard airfare pricing and inventory for only those flights that complement your voyage. Plus, it includes a host of other exciting benefits:

- **Competitive airfare pricing:** Your Travel Agent or Cunard will review availability from multiple carriers at competitive Cunard rates to find you the best flight for your budget!
- **Next Port Protection:** If you book your flights with Cunard, you'll have the peace of mind knowing that in the event of an airline delay or cancellation, we will do all we reasonably can to ensure that you can continue your vacation with minimal disruption. In particular, if a delay or cancellation means that you miss your voyage embarkation, we will work with our airline partners to seek to re-arrange your travel arrangements to enable you to embark at the next appropriate port (excluding Transatlantic Crossings).
- **Immediate flight confirmations:** Your preferred airline, route and flight times will be confirmed at the time of the flight booking and will be available to view on the Voyage Personaliser.

Transfers

Cunard offers a range of options[†] to make joining your ship easy — motorcoach service, private sedan or limousine — so you need not worry about a thing! Even your luggage is handled for you.

At the beginning and end of each sailing, Cunard's Transfer programme offers convenient connections between the port and local airports. In New York and Southampton, we also arrange service to key regional train and bus terminals. Options available for your voyage will be detailed in your preliminary travel documents — contact your Travel Agent or Cunard to pre-arrange these on your behalf.

White Star Luggage Service

We offer **White Star Luggage Service™** which is provided by a reputable carrier and is available exclusively to our guests. All transport through airports and customs is taken care of, and your luggage will be awaiting you in your stateroom when you arrive. Reservations are requested at least 35 days prior to sailing date. Service can be requested within 35 days of sailing, but will be accommodated based on destination and availability. Please note you can purchase service home while on the ship. Additional terms and conditions apply. Call (888) 491-0774 for more information.

[†] Transfer options may vary by port and sailing date; please refer to preliminary documents for specific offerings on your voyage.

Partial use of cruise, airfare, hotel and land extension does not qualify a guest for a refund. All refund requests pertaining to cruise, land and air are subject to final review by Cunard.

If you are due to receive On Board Credit this will be applied to your account on the first night of your voyage. On Board Credit cannot be used for any of the following, Cash Back, Casino/Gambling Charges, Foreign Exchange, Any Medical Services/Prescriptions, Charities or for payment of International Visas. This also applies to any gift credits that may be applied to your account.

CUNARD CARE

We strongly recommend that all guests purchase some form of travel protection that includes cancellation and interruption coverages as well as medical expenses and emergency evacuation benefits. For your convenience, we offer CunardCare, a package

of benefits comprised of the CunardCare Cancellation Fee Waiver, the CunardCare Travel Insurance and the CunardCare Worldwide Emergency Assistance Programs designed for our most valued guests.

BAGGAGE AND VALUABLES

Though we take reasonable care in the handling of baggage, Cunard's responsibility for lost, damaged or misplaced baggage and other personal property is limited by the Passage Contract. Cunard Line is not responsible for camera equipment, laptops, cash or other similarly fragile and valuable items contained in checked or unchecked baggage. These items, as well as medications and prescriptions in their original packaging, should be carried on and off the ships by the guests themselves. Safe-deposit boxes or in-room safes are available free of charge on board. For your safety, all guests and all baggage must pass a security checkpoint.

CHILDREN TRAVELLING WITH AN ADULT

Children under 18 years of age must be accompanied by an adult and must be at least one year of age to sail. See cunard.com for restrictions.

EMBARKATION/DISEMBARKATION

The ship generally will be available for embarkation four hours before the scheduled sailing time. Due to limited facilities, guests should not arrive earlier than the embarkation time noted on final documents. On disembarkation day, staterooms must be vacated at the time advised by the Hotel Manager. Once customs and immigration clearance has been completed, guests making their own air arrangements should allow three to four hours for transfer time to the airport.

Cunard Line offers optional transfers and hospitality services to the port on embarkation day. Group transfers and services use motorcoaches or minibuses; private transfers use luxury sedans for two guests or luxury club vans for four to eight guests.

Where available, hospitality services provide you with transfers from your incoming flight to a deluxe hotel at which point your luggage is transported from the hotel directly to the ship. You are free to relax and enjoy the comforts of a Cunard hospitality room and use the hotel as a base from which to explore. Contact your Travel Agent or call Cunard at (800) 728-6273 for more information.

GUESTS WITH DISABILITIES/SPECIAL DIETS

Guests with disabilities are welcome aboard Cunard vessels. Due to the configuration of our ships, however, wheelchair users and individuals with sight impairments may experience some difficulties in accessing certain areas. Where any individual would be unable to be safely and comfortably accommodated, we suggest that the guest be accompanied by a companion. Some ports of call require tenders to go ashore and may preclude guests using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Upon notification by a guest with a disability, Cunard Reservations will provide stateroom and bathroom doorway widths and other pertinent access limitations on board the vessels. Cunard is pleased to permit individuals to bring service animals on board. In order to make appropriate arrangements, notice that a guest will be travelling with an animal must be provided at the time of booking. Local laws or customs may prevent animals from disembarking at particular ports and countries. It is the guest's obligation to obtain all documents/health certificates that may be required. Consult local customs authorities for information and requirements.

Guests with conditions requiring ongoing medical assistance may be asked to have their physician provide a confidential certification form to ensure that they may travel safely. If guests have special dietary needs, Cunard must be advised at time of booking or, at the latest, six weeks before sailing. Every effort will be made to comply with such requests.

FUEL SUPPLEMENT

Cunard reserves the right to impose a fuel supplement of up to \$9 per person per day up to a maximum of \$300 per voyage on all passengers if the NYMEX oil price exceeds \$70 per barrel, even if fares have been paid in full.

GOVERNMENT FEES AND TAXES

"Government Fees and Taxes" may include any and all fees, charges, tolls and taxes imposed by U.S. and/or foreign governmental or quasi-governmental authorities, including but not limited to U.S. customs fees, head taxes, Panama Canal tolls, dockage fees, wharfage fees, air taxes, hotel or VAT taxes incurred as part of a land tour, inspection fees, immigration and naturalisation fees, and Internal Revenue Service fees, whether assessed on a per guest, per berth, per ton or per vessel basis. In the case of per ton or per vessel assessments, those assessments will be spread over the guests on board. Government Fees and Taxes are subject to change and Cunard reserves the right to collect any increases in effect at the time of sailing, even if the fare has already been paid in full.

CUNARD® COMPLETEAIR PROGRAMME BOOKING PROCEDURES, IDENTIFICATION AND REFUNDS

Guests purchasing flights under the Cunard CompleteAir Programme may select either Flexible or Restricted fares that offer differing levels of flexibility. Guests booked on restricted fares are required to pay for their flights in full at the time of booking. Guests booked on flexible fares must pay for their flights in full no later than Final Payment due date, as indicated by Cunard Line reservations system. Air pricing for Flexible Air is subject to change until full payment is received by Cunard Line for the entire cruise booking. Guest agrees to contact airline(s) directly to reconfirm flights, any special travel needs, and to obtain seat assignments. Guest is responsible for verifying that the spelling of names shown on the Flight Information notice matches the identification presented at airport check-in (i.e. Passport). All airline tickets are the property of the carrier and must be returned to carrier. Guests purchasing flights under the Cunard CompleteAir Programme may choose their flight and cabin at the time of booking. Guests will be able to choose from a selection of flights under either the Flexible or Restricted programme.

CUNARD® COMPLETEAIR NEXT PORT PROTECTION

Guests who book air travel through Cunard Voyages will be automatically enrolled in the Cunard Next Port Protection programme. If guests miss or will miss their original port of embarkation due to airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Cunard will work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost to the Guest. Please note, this applies to all voyages except Transatlantic Crossings.

SERVICES PROVIDED BY INDEPENDENT CONTRACTORS

All shoreside tours and services described in this brochure, including air, transfers and shore excursions are provided by independent contractors. Cunard acts solely as the ticketing agent for all shoreside activities. Cunard shall have no obligation or liability of any kind to guests for acts or omissions in connection with or arising out of arrangements with independent contractors, including but not limited to airline carriers, ground/tour operators, hotels and on board physicians since they are neither agents for nor employees of Cunard.

INTERNATIONAL TRAVEL DOCUMENTS & HEALTH INFORMATION

It is the guest's obligation to obtain and carry with him/her a valid passport, visas, parental authorisations if required, and public health documents for all applicable ports of call and overland tour destinations. Your passport must be valid for a minimum of six months past the last day of your trip. Consult your travel agent for advice on such requirements. For non-U.S. citizens or non-U.S. legal residents disembarking in a U.S. port, the U.S. Department of Homeland Security requires you to provide your address while in the United States after your voyage.

Approximately three months prior to departure, guests will be sent a visa application package and requirements for their specific itinerary from an independent visa service agency. We strongly recommend that all guests avail themselves of this service. Depending on the area of the world visited, vaccination/immunisation requirements vary considerably, and are subject to change at any time. We suggest that guests travelling outside of their country of residence consider being immunised against Hepatitis A, Typhoid, Diphtheria, Polio and Tetanus. An international certificate, approved by the World Health Organization, is the best medium for verification that inoculations and vaccinations have been satisfactorily performed, and is accepted by health officials at all ports of call. We strongly recommend that all guests contact their personal physician, the Department of Public Health or the Centers for Disease Control to obtain expert medical immunisation recommendations for their intended itinerary and travel plans and to specifically address Malaria and Yellow Fever requirements in time to receive any necessary vaccinations/immunisations. Any Malaria prophylaxis medication recommended must be obtained prior to joining the vessel.

Every effort has been made to ensure that the information presented is accurate at the time of printing. Ship details and other information presented are subject to change at any time, at the discretion of Cunard.
