So, this is why they call it the Great Land
A majestic mountain peak, a soaring eagle, an ice-blue glacier... these are but a few of the iconic sights of a place named “Alyeska” – the Great Land – by the native Aleutian people. This is Alaska, with its sprawling national parks, quaint Gold Rush towns, pristine streams and shores where bears fish for salmon and whales can be seen offshore. When you visit with Princess, you’ll have opportunities to see all the greatest attractions of Alaska.
All of the Alaska you most want to experience
It’s like you’ve always imagined, only better – a land of epic attractions where superlatives aren’t enough to capture the majesty of its towering mountains, sparkling waters and Ice-Age glaciers. Only Princess® offers such a variety of ways to see the Great Land that ensures your vacation is a dream come true.

- **Land & sea adventures** that combine a 7-day cruise with multiple days on land, each visiting the state’s top two wilderness attractions – Glacier Bay and Denali National Parks.

- **Exclusive Princess®-owned and operated wilderness lodges** located near some of Alaska’s best national parks, including Denali, Kenai Fjords and Wrangell-St. Elias, at 13.2 million acres, the largest park in the U.S.

- **Direct-to-the-Wilderness® rail service** – a Princess® exclusive – takes you between your ship and our Denali-area lodges the very same day, for more time at Denali and less time in transit.

- **Dazzling scenery-filled cruises** visit glaciers, pristine waterways and frontier-era ports. Our Voyage of the Glaciers itinerary is the only cruise to offer Glacier Bay National Park and a second glacier viewing experience, in either College Fjord or Hubbard Glacier.

Majestic rivers of ice blue
They’re a highlight of any Alaska vacation, and one of the reasons you came – the towering rivers of slow-moving ice known as glaciers. Among life’s most dramatic sights is watching a building-size iceberg creak, crack and fall from the face of a tidewater glacier. And you’ll have a chance to check it off your bucket list on every Princess® Alaska vacation.

- **Glacier Bay National Park** features several monumental tidewater glaciers, including the massive 21-mile-long Marjorie Glacier. This pristine 3.2-million-acre park is a highlight of all our Voyage of the Glaciers sailings and more than half of our Inside Passage itineraries.

- **College Fjord**, in Prince William Sound, boasts 16 breathtaking tidewater glaciers named after Ivy League and Seven Sisters schools, like Harvard, Vassar and Yale, while **Hubbard Glacier** is the longest tidewater glacier in Alaska.

- Found at the headwaters of the narrow and beautiful **Tracy Arm Fjord** are the epic twin Sawyer Glaciers.

- **Other glaciers across Alaska** invite exploration, from Juneau’s famous “urban” Mendenhall Glacier and the Matanuska Glacier en route to Copper River to those glaciers you can land on via helicopter or plane, hike or kayak to, or flightsee above.
Adventure in the first person
There are certain things in Alaska you must experience – salmon fishing in a quiet river, watching a family of bears forage for berries, or admiring a Native craftsman carving a totem pole. And you won’t miss a thing with nearly 100 land excursion tours and over 150 shore excursions visiting each area’s best attractions.

• **By land**, embark on a wildlife safari to spot Denali’s “big five” – bear, wolf, moose, caribou and Dall sheep – ride on a vintage Gold Rush-era train or set out on an ATV excursion into the backcountry.

• **By air**, enjoy a thrilling landing on a glacier, sightsee by helicopter or airplane, and even sail high above the forest canopy on a zipline.

• **By sea**, fish for halibut or king salmon, join a whale watching cruise, set out with Bering Sea crab fishermen, kayak through a fjord or snorkel in clear northern waters.

• **Uniquely Alaska adventures** include watching a lumberjack competition, attending a Native dance performance, golfing on the open tundra or enjoying an authentic salmon bake.

The friendly face of the frontier
Many of Alaska’s Gold Rush-era towns retain their frontier flavor, with colorful storefronts, wooden sidewalks, vintage saloons, and the vibrant influence of Native cultures. These are places that exemplify the friendly and unique character that has always defined the Alaskan people.

• In Juneau, the charming state capital, you’ll find shops, cafés and the storied Red Dog Saloon. Just outside town is the famous urban Mendenhall Glacier.

• Ketchikan, the self-proclaimed “Salmon Capital of the World,” is situated around a vibrant harbor and famous Creek Street, where shops and cafés abound.

• Rustic Skagway retains its authenticity as the “Gateway to the Yukon,” offering attractions such as a ride on a Gold Rush-era railroad and lovingly restored storefronts, wooden sidewalks and local characters.

• The “Golden Heart City” of Fairbanks, established with the discovery of gold on the Chena and Tenana Rivers, is a feature of the land portion of certain cruisetours and pairs frontier charm with unique experiences like a sternwheeler riverboat cruise.

• Anchorage, Alaska’s largest city, is beautifully situated on the Cook Inlet, and offers a scenic setting with shopping, restaurants and cultural institutions such as the Anchorage Museum at Rasmuson Center.
A journey through Alaska’s historic heart
Between your ship and our Denali-area Princess® lodges lie 500 miles of Alaska’s most scenic, unspoiled wilderness. It’s the route of the historic Alaska Railroad, built between 1903 and 1923. And when you travel between lodge and ship by exclusive Direct-to-the-Wilderness® rail, you’ll have a front-row seat for each and every dazzling vista.

- **Princess Rail** is a feature of most land & sea vacations, with many offering our exclusive Direct-to-the-Wilderness® rail service that takes you between ship and the Denali area the very same day, for more time enjoying the wilderness and less time in transit.

- **Glass-domed rail cars** with open-air observation platforms let you take in all the splendor, watching for wildlife like bear, eagles and moose.

- **Onboard rail guides** provide expert commentary and point out attractions like the 265-foot-tall Hurricane Gulch bridge and the awe-inspiring Matanuska Valley.

- You’ll enjoy the same trademark Princess® service you find on our ships and in our lodges on your unforgettable rail journey through Alaska’s heart.

When browsing the land & sea vacations later in this brochure, look for the Direct-to-the-Wilderness® symbol for options featuring this exclusive service.

Princess has options to match every individual taste and style. Are you a person who enjoys the thrill of visiting many ports and a variety of sights? Or do you prefer voyages with more time out at sea to relax and unwind?

2. Where and when do you want to go?
Princess sails all around the world, 12 months a year. Use the chart below to help you plan where and when you want to cruise with Princess.

3. How do you choose the itinerary that's best for you?
First, how much time do you have and how long would you like your vacation to be? Princess has options from a week to over a month. What places and experiences are on your travel bucket list? Imagine how and where you want to escape completely. Then find an itinerary to match.

4. What's your budget?
Your cruise fare is determined by several factors – destination and length, time of year, stateroom choice, and availability. Stateroom fares are quoted per person, and based on double occupancy – with elegant and casual dining options, onboard entertainment like production shows, musicians and comedians, a Las Vegas-style casino, and much more included with your fare.

5. Do you have a preference of ship?
Princess has everything from grand ships carrying over 3,000 passengers to smaller, more intimate vessels accommodating just 680. Ask your travel agent or your Princess Cruises vacation planner for more details, or visit princess.com/ships to learn more about each of our ships, or take a virtual tour of their public areas.

6. What sort of stateroom best fits your needs?
Princess has a wide variety of staterooms from which to choose, each including a range of amenities from flat-screen TVs and a refrigerator to a spacious closet and private bathrooms. Balcony staterooms give you added space and your own place to relax outside on fine patio furniture and enjoy the unforgettable views. Suites and mini-suites offer even more square footage and premiums such as a sofa bed and upgraded amenities including a luxury mattress and pillows. An oceanview double includes a large picture window providing added ambience and memorable views. An oceanview double includes a large picture window providing added ambience and memorable views. An oceanview double includes a large picture window providing added ambience and memorable views.

7. Are you traveling with kids, friends or family?
Traveling with family or a group of friends can be a wonderful way to escape completely. Be sure to book early for the best selection of staterooms. Be sure to inquire to have your group’s staterooms close to one another. For those sailing with kids, our onboard youth and teen programs are excellent, and family-friendly shore excursions are available.

8. Do you need help booking air, hotel or transfers?
Princess can assist you with travel logistics not included in your fare, such as air, hotel and transfers to and from your ship to your airport or hotel. Princess eZAir® is a convenient and easy planning tool from Princess that offers competitive fares and Next Port Protection, getting you on board at the next available port in the event you miss your embarkation. And our Cruise Plus® Hotel program offers peace of mind and convenience, with excellent centrally located hotels before or after your voyage. To learn more about Princess eZAir, our Cruise Plus Hotel program and transfer options available, ask your travel agent or your Princess Cruises vacation planner, or visit princess.com.

9. What kinds of land and shore excursions most interest you?
From sightseeing and nature tours to off-the-beaten-path adventures and more, you can experience the best of every destination with a land or shore excursion. And it is easy for you to choose the right tour, with excursions categorized by interest and activity level. Pre-reserve your shore excursions for the best selection and availability. Contact your travel agent or your Princess Cruises vacation planner, or visit princess.com/excursions to learn more.

10. What if you need to cancel?
It is important to note there are restrictions regarding fare refunds and cancellation fees may be assessed based on the length of your cruise and how many days prior to your cruise departure date Princess Cruises is notified of your cancellation. See the Cancellation Fees and Refunds chart on page 100 for specific details. For a great option for protecting your vacation, refer to the Princess Vacation Protection information pamphlet on princess.com or contact your travel agent or your Princess Cruises vacation planner for more details.

For additional questions, please contact your travel agent or your Princess Cruises vacation planner or visit princess.com

*Youth centers not available on Ocean Princess® and Pacific Princess®. Youth and teen programs are available when at least 20 passengers ages 3-17 are sailing.

A preview of your stateroom options on board

For every preference and budget, there is a stateroom to match on each Princess® ship. Ranging from spacious suites to comfortable interiors, here’s an overview of the stateroom options available.

Princess® pioneered the affordable balcony stateroom, and still offers one of the largest percentages of such accommodations in the industry. You’ll find an ample selection of balcony staterooms on each of our ships.

Your stateroom is your home away from home, filled with comforts.

Suite with balcony

A spacious suite with balcony includes all the amenities of a mini-suite, plus incredible premiums. These include luxury balcony furniture, deluxe canapés, fresh flowers, DVD/CD player, free access to a DVD library, two flat-panel TVs, one complimentary mini-bar setup, upgraded bathroom amenities, laundry and professional cleaning services. Plus, suite passengers can enjoy a complimentary dinner in one of our specialty restaurants on embarkation day.* Approximately 460 to 932 square feet, including balcony. Window suites are also available as a more affordable option.

Family suite

Each suite is actually two self-contained staterooms interconnecting through a large living room, which leads to an oversized private balcony. Each suite sleeps up to eight people. Approximately 595 to 606 square feet.

Note: Floor plans, amenities and stateroom diagrams represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Square footage varies based on stateroom category and deck location. Stateroom views are considered unobstructed unless noted otherwise. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Upper berth and bed ladder capacities are 250 lbs. For staterooms that can accommodate rollaways, stateroom has two lower berths, one upper berth and can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts cabin space. Call 1-800-774-6237 for more information.

*Applicable on cruises 6 days or longer.
Wheelchair-accessible staterooms

Princess offers a selection of staterooms that provide full wheelchair turning space. In addition, these staterooms include a roll-in shower equipped with grab bars and fold-down bench seat, easy access closet, and a writing desk with wheelchair access. Cabins range from approximately 237 to 383 square feet based on stateroom category. Visit princess.com for more details.

Mini-suite with balcony

A mini-suite with balcony is substantially larger than a balcony stateroom. It includes all the amenities of a balcony stateroom and these added luxuries: welcome glass of champagne, separate sitting area, sofa bed, luxury mattress and pillows, two flat-panel TVs, a spacious closet, desk, bathroom tub and massage shower head. Approximately 323 square feet, including balcony.

Balcony

This impressive stateroom offers the elegance of a balcony with fine patio furniture. Other amenities include a spacious closet, desk and a bathroom with shower. Approximately 214 to 279 square feet, including balcony.

Oceanview double

Our oceanview stateroom includes all the amenities of an interior double, plus it features a picture window, providing added ambience and memorable views. Approximately 146 to 206 square feet. Deluxe Oceanview, a larger version of the Oceanview double is also available on select ships.

Note: Some categories have portholes versus picture windows. Some staterooms are partially to fully obstructed, as shown on deck plans.

Interior double

Our interior stateroom is a great value. It features two twin beds that make up into a queen-size bed. Other amenities include a refrigerator, hair dryer, TV, closet and bathroom with shower. Approximately 158 to 162 square feet.

Princess® Vacation Protection

You never know when something unexpected may cause you to have to postpone your plans. Fortunately, Princess Vacation Protection can reimburse you for unforeseeable losses stemming from an array of circumstances, and even allows you to cancel your vacation for any reason under the Cancellation Fee Waiver Program.

Princess Vacation Protection is a package of benefits composed of the following: the Princess Cancellation Fee Waiver,** the Princess Travel Insurance and the Princess Worldwide Emergency Assistance Programs.

Frequently Asked Questions

Q: Am I protected by Princess Vacation Protection if my mother, who is not traveling with me, develops pneumonia and I have to cancel my trip to care for her?
A: Yes, Princess, under the Cancellation Fee Waiver Program, will refund the cancellation fees (up to the full value of the cruise vacation) if you have to cancel your trip because of a specified reason such as illness, injury or death of yourself, a traveling companion or any of your immediate family members.**

Q: If I have a heart condition and am on continuing medication, am I protected if my condition flares up during my vacation?
A: Yes. Princess Vacation Protection provides reimbursement for conditions that are stable during the 60 days prior to purchase, so if you have had no changes in your health (even if you are taking continuous unchanged medication), you would be protected.

Q: What if my condition did change prior to purchasing Princess Vacation Protection?
A: Rest assured, emergency evacuation benefits are still provided in the event of a medical emergency. Also, if you cancel your cruise vacation and do not qualify for cash reimbursement, Princess will provide a credit toward a future cruise equal to 75% (100% if Platinum Vacation Protection is purchased) of your otherwise non-refundable prepaid cruise vacation cost.

Q: If my pet becomes ill and I have to cancel my trip as a result, will Princess Vacation Protection reimburse me?
A: Although you would not qualify for cash reimbursement, as an added feature for purchasing Princess Vacation Protection, Princess will provide a credit toward a future cruise equal to 75% of the cancellation fees imposed (100% if Platinum Vacation Protection is purchased) if you choose to cancel for an ineligible reason.**

Tips for your trip

Whether this is your first or fourteenth trip with Princess, you probably have several questions about the adventures awaiting you in port and on board ship. So we’ve compiled a few of the most common travel questions you might have, to help you prepare for your trip.

Cool, temperate, hot…? What type of weather conditions can I expect during my getaway with Princess? Check the handy guide at princess.com click the link to “Prepare for Your Cruise,” and scroll down to “Cruise Answer Place – What to Bring”? A convenient chart of “high-low temperatures” by destination will help you figure out just the right items to pack. Of course, it’s always a good idea to bring layers of clothing – perfect for any unexpected change in temperature. It’s usually helpful to take along sunglasses and sunscreen, as well as a swimsuit for dipping into our onboard pools – no matter whether you’re going to a warm or cool climate. For destinations noted for their precipitation, it’s important to include an umbrella or extra windbreaker.

Dining: from Alaska king salmon to baked Alaska Dining throughout your cruise and cruisetour is a feast for the senses. And at your meals are included on board the ship, except for alcoholic beverages, some specialty diners, sodas, certain snacks and some alternative dining venues. Delicious, freshly prepared meals are available on board our railcars and at our cruisetour lodges, but all meals are at your own expense unless otherwise specified in the daily tour itinerary.

Boutiques onboard Treasures await your browsing eye in our Boutiques onboard. So be sure to leave plenty of room in your luggage for purchases with tax-exempt savings up to 60% off U.S. suggested retail. Princess offers a 5-year guarantee on all fine jewelry purchases and a price match guarantee for all comparable brands ashore. See our Boutiques onboard staff for more details.

Shopping ashore If you want to shop on shore, check the shopping malls and boutiques onboard. So be sure to leave plenty of room in your luggage for purchases with tax-exempt savings up to 60% off U.S. suggested retail. Princess offers a 5-year guarantee on all fine jewelry purchases and a price match guarantee for comparable brands ashore. See our Boutiques onboard staff for more details.

How do I reserve tours? You’ll enjoy a choice of pre-sold tours in every port of call, each highlighting great places to sightsee, shop and experience local culture. For your convenience, tours may be reserved 120 days in advance of your cruise on a first-come, first-served basis or they can be purchased on board based on availability. You can view tour descriptions and reserve your tours online by going to princess.com and selecting the Cruise Personalizer®. Please note that space is limited on some tours. On board, the ship’s shore excursion staff can also answer any other questions you may have and help you with additional arrangements. Shore excursions are operated by local, independent companies, not by Princess, and Princess gets a commission on all tours sold.

What to bring What should I wear on the ship? You should dress for cruising the same way you would for any stylish land-based resort. Casual sportswear, including shorts, lightweight pants, and jogging suits are the order of the day both at sea and on shore in hotter climates. Just remember to bring a sweater or jacket for cool evenings.

For evening dining, there are two designations for dress codes in our dining rooms: Smart Casual and Formal. When evening dress is Smart Casual, passengers dress as they would for a fine restaurant at home. Appropriate attire includes skirts/tunics, slacks, and sweaters for ladies and pants and open-neck shirts for men. Inappropriate dinner wear such as pool or beach attire, shorts, ball caps and casual jeans (with fraying and all-velvet), is not permitted in the dining rooms. Shoes must be worn at all times. On formal nights, appropriate attire includes evening gowns and cocktail dresses for ladies, and tuxedos, slacks with dinner jackets, or suits for men. Princess offers formal wear rental on all itineraries and this can be arranged prior to your cruise.

For shore excursions, you’ll want to bring a sweater, a light jacket, or an all-weather coat, depending on your destination. Due to unpredictable weather, don’t forget a hat or visor and a collapsible umbrella. Please be sure to wear proper clothing for visits to religious sites. You’ll also want low-heeled, rubber-soled shoes for strolling on deck, as well as comfortable walking shoes or sandals while wearing explorashore.

What documents do I bring? You’ll need your cruise Boarding Pass and Travel Summary, and airline tickets or airline eTicket receipt. In addition, you should bring with you a copy of the Cruise Passage Contract. All passengers, including children, must travel with a passport, valid for at least six months from the end of the cruise. You must also present vaccination certificates and other health documents if required for your particular ports of call. If you don’t have the proper documentation, you may be prevented from boarding the flight or vessel without refund of the cruise fare and/or airfare, and you will be subject to any fine or other costs incurred by Princess.

Please consult your travel agent for full details regarding documentation, as it is your obligation to determine what documents will be necessary. Remember your medical insurance ID card and travel insurance information as well. If you are traveling with children, please refer to the “Children” section under General Information for additional document requirements.

Taking care of business What does the price include? Your comprehensive cruise fare includes onboard accommodations, ocean transportation, meals, some nonalcoholic beverages and most entertainment. Excluded are meals at some alternative dining venues, meals on hosted land tours unless noted otherwise, transfers and items of a personal nature such as, but not limited to, spa services, shore excursions, beverages and some snacks, photographs, gratuities, discretionary hotel dining and charges and medical services.

Do I need cash on my vacation? Yet another convenience of cruising with Princess is being able to sign for all of your shipboard expenses, excluding stamps. Casino chips, slot tokens and bingo cards can also be obtained on a casino room charge (for a nominal fee). You’ll receive an itemized statement of all charges the night before disembarkation, and having registered your credit card at embarkation, your onboard account will automatically be settled on the day you disembark with no need to wait in line. We accept the Princess Rewards Visa Card, Visa, MasterCard, Discover Card, Diners Club, Carte Blanche and American Express/Optima. U.S. currency, Canadian currency, British currency, Euro currency and traveler’s checks are also accepted. Those paying by traveler’s checks or cash will be required to leave a $300 USD per person cash deposit with the Purser’s Passenger Services Desk at the beginning of the cruise. Cruisetour passengers will find that travelers’ checks and major credit cards are widely accepted in most ports of call.

When will I receive my documents? Only Princess eTickets offer you the freedom and flexibility to access your booking details any time you want. Upon confirmation of your booking, you can use the Cruise Personalizer and Princess.com to review the Passage Contract, view your reservation, complete all required Passenger Immigration information and provide an email address and phone number so that we may communicate important pre-cruise information with you. At approximately 120 days prior to the voyage departure date, via the Cruise Personalizer, you will have access to view and reserve the shore excursions offered and book Lotus Spa® appointments available on your voyage.

As part of our ongoing commitment to service innovation, Princess no longer mails pre-cruise documents. Instead, to help you plan for your vacation, you will receive a coordinated series of pre-cruise emails. Each email includes customized information about your reservation, interactive content, links to the Cruise Personalizer and Cruise Answer Place at princess.com as well as other helpful advice. Your Travel Summary may be viewed and printed at any time.

You may print your Boarding Pass and personalized luggage tags within 75 days of sailing once your booking is paid in full and all required Passenger Immigration Information has been provided. With Princess eZAir, you will be able to view your air details immediately on Cruise Personalizer. You may obtain eTicket receipts, make seat selections and more, directly on the airline’s website. If you do not have Internet access, your travel agent may assist you in securing the necessary information or call 1-800-771-4237 for assistance.

Do you provide Express Check-Out? Like the finest hotels, Princess offers a quick and easy check-out service on board. Just register your credit card at embarkation or at the Purser’s/Passenger Services Desk as early as possible during your cruise.

What should I do about tipping? During your cruise, regardless of which Princess ship you choose, you will meet staff who provide you with excellent service. Cruise members often return to different ships within the Princess fleet which helps to maintain our high standards on every ship. These dedicated workers reflect our philosophy that all crew on all ships are but one family who share in our success.

To simplify the tipping process for our passengers, a discretionary gratuity of $12 per person for mini-suites and suites, and $11.50 per passenger in all other staterooms per day (including children) will be automatically added to your shipboard account on a daily basis.

Do you provide on-shore excursions? See our Boutiques onboard section for a list of suggested stores. Any bargainer worth his or her salt will love this onshore luxury. There’s a shopper’s guarantee for registered purchases at participating stores.

To request Anytime Dining, Traditional first or second seating, special diets, or seating with a specific party, it is best to have your travel agent request your arrangements at the time of booking.* Your dining arrangements will be shown on your Travel Summary.

What about celebrations at sea? When you cruise with Princess, every day is a celebration. But if you’re planning to travel during an anniversary, birthday, honeymoon or other specific event, you can rely on us to pull out all the stops. Simply have your travel agent advise us of such occasions at least three weeks prior to departure, and we’ll be happy to spotlight your event in the dining room or with special packages (some charges may apply).

Are there babysitters on board? Although private babysitting is not available on any ship, group babysitting is available for children ages 3-12 between the hours of 10 p.m.-1 a.m. in the Youth Center on select vessels. Due to limited facilities, group babysitting is not available on Pacific Princess and Ocean Princess.

For calls originating outside the United States or Canada, please visit www.princess.com/learn/faq_answer/onboard/min_touch.jsp for dialing instructions. Calls can be charged to a credit card in both the United States and Canada by dialing 1-877-656-7447. Visa, MasterCard, American Express and Discover Card (not Canadian) are all accepted. Safety first
Princess Cruises’ highest priority is the safety and well-being of our passengers and crew. To support this, our ships are fitted with modern equipment and technology, and we have strong safety standards in areas such as crew training, safety systems and equipment, emergency response, fire prevention and detection, emergency evacuation, and accident prevention. To ensure our safety standards are met, we have comprehensive internal auditing processes, and we work closely with the U.S. Coast Guard, our Flag States and other maritime authorities around the world. All Princess ships meet or exceed the safety regulations set forth by the International Maritime Organization (IMO) through its Safety of Life at Sea (SOLAS) convention, Through Cruise Lines International Association (CLIA), Princess is active at the IMO and helps to shape international regulations in a number of areas of safety.

Protecting the environment
Princess makes its living on the oceans, and therefore we are committed to environmental practices that will help preserve the marine environment in which we operate. We work closely with the regulatory and enforcement organizations that govern the cruise industry’s environmental practices to ensure that our policies meet or exceed environmental regulations. Princess has invested millions of dollars fitting and developing waste management and garbage disposal technology including advanced waste water treatment systems and ballast water treatment systems. Princess was also the first cruise line to equip its ships to use “shore power” – turning off ship engines in port and instead using surplus power generated on shore, thereby reducing air emissions in ports equipped with this technology.

Staying healthy
Norovirus is the most common cause of gastroenteritis in the developed world. As your health and safety is our highest priority, we have taken numerous measures to prevent and contain illness on our ships that meet or exceed standards set by the U.S. Centers for Disease Control and Prevention (CDC). The simplest way for you to stay healthy is to frequently and thoroughly wash your hands with soap and water, especially before eating and after using the toilet. You’ll also find hand sanitizers located throughout the ship for your use after washing your hands.

We recommend passengers using a mobility device travel with someone who is able to assist them both ashore and at sea. Some ports of call require that two passengers be available for assistance, however each cruise line has their own criteria for passengers using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Passengers must bring wheelchair users on the ship's land portion of a cruisetour and a Cruise Plus hotel package. If you have purchased Princess ezAir and have any questions about wheelchair users, please contact Wheelchair Security. Fees of Up to $10 per passenger, airport service charges and government inspection fees. Air fees and taxes vary by gateway city, routing, destination and carrier. Baggage fees may apply. Princess will provide you with an overall airfare (including fees and taxes).

Airline In-Flight Service Requests. Please be advised that not all airlines provide pre-reserved seats, add frequent flyer numbers to records or accept frequent flyer bonus upgrades to flights booked by Princess. Some airlines now charge for advance seat assignments. Requests for wheelchair assistance or other special needs, such as oxygen in-flight, can only be made by you directly with the air carrier and are the responsibility of the traveler. Not all airlines allow the use of oxygen in flight.

Overnights. For some cruise itineraries it may be necessary, due to flight schedules and/or air crew changes, that passengers remain at the port of call. In such instances, passengers will be transported to and from the port of call by the ship. Princess reserves the right to select any overnight hotel, to make all arrangements, and to bill such costs to the passenger. Please be aware that you may be charged for meals and/or gratuities. The shipping line will work with the airlines to find a reasonable and safe alternative to flight travel. Princess will make all additional arrangements and charges. Additionally, the ship’s Captain may terminate any passenger’s voyage who, in the sole discretion of the ship’s Captain, is believed to be a danger either to themselves or to any other passengers on board. In such instances, the passenger will be disembarked at the earliest opportunity at no charge to the shipping line.
